Present:—

Shri Darshan Singh, for the workman.  
Shri R. C. Sharma, for the management.

## AWARD

By order No. ID/FD/72/40232, dated 17th December, 1974, the Governor of Haryana, referred the following dispute between management of M/s Mahender Singh and Associates, 15/3, Mathura Road, Faridabad and its workman Shri Kiran Pal to this Tribunal in exercise of the powers, conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947.

Whether the termination of services of Shri Kiran Pal was justified and in order ? If not, to what relief is he entitled ?

Shri R. C. Sharma, representative of the management has in my presence satisfied Shri Darshan Singh, representative of the workman, with reference to the record of the management in his possession, that an amicable settlement had been arrived at between the parties. He has actually filed the receipt alleged to have been signed by Shri Kiran Pal workman concerned in respect of the payment of the amount to him in full and final satisfaction of his claim. Shri Darshan Singh has no instruction to proceed further. I, therefore, hold that there is no dispute between the parties requiring adjudication. I accordingly return a no dispute award.

THE WORKMAN AND THE MANAGEMENT OF M/S ANAND RUBBER & PLASTIC  
INDUSTRIES, FARIDABAD

Present:—

Shri Roshan Lal Sharma, for the workman.

Nemo, for the Management.

## AWARD

By order No. ID/FD/321-A/24618—22 dated 3rd August, 1971 of the Governor of Haryana the following dispute between the management of M/s Anand Rubber & Plastic Industries, Faridabad and its workman Shri Bhagirath Sharma was referred for adjudication to this court, in exercise of the powers conferred by clause (c) of Sub-section (1) of Section 10 of the Industrial Disputes Act, 1947.

“Whether the termination of services of Shri Bhagirath Sharma was justified and in order ? If not, to what relief is he entitled ?”

Usual notices of the reference having been sent to the parties for their service, the management did not appear on 28th November, 1973 even after service of the notice on them. *Ex parte* proceedings were therefore, taken up against them on that date.

The workman was directed to adduce his *ex parte* evidence in support of the demand raised by him. His authorised representative made a statement that the workman proposed to withdraw the demand made on the management and had as such now no dispute.

It would appear in view of the statement of the authorised representative of the workman that there is now no dispute between the parties requiring adjudication. I thus return a no-dispute award with no order as to costs.

The 25th August, 1975.

MOHAN LAL JAIN,

Presiding Officer,  
Labour Court, Haryana,  
Rohtak.

SHRI MANOHAR LAL AND THE MANAGEMENT OF M/S KAUSHIK ELECTRIC WORKS,  
BALLABGARH

AWARD

By order No. ID/FD/709-B-71/29353—57, dated 27th January, 1971 of the Governor of Haryana, the following dispute between the management of M/s Kaushik Electric Works, Ballabgarh, and its workman Shri Manohar Lal was referred for adjudication to this Court, in exercise of the powers conferred by clause (c) of Sub-section (i) of Section 10 of the Industrial Disputes Act, 1947.

“Whether the termination of services of Shri Manohar Lal was justified and in order? If not, to what relief is he entitled?”

Usual notices of the reference being sent for service on the parties concerned, the management could not be served and reports had been received from time to time on the registered envelopes that they were not found available on the address as supplied to this court by the referring authority.

The authorised representative of the workman present before me today has however, made a statement that he has no instructions from the workman and that the demand made by him on the management be filed.

I, therefore, in view of the statement of the authorised representative of the workman hold that the workman does not intend to pursue the demand made by him on the management and that there is now no dispute between the parties requiring adjudication. I accordingly return a no dispute award with no order as to costs.

#### AWARD

By order No. ID/KNL/13-B-72/42425, dated 7th December, 1972 the Governor of Haryana, referred the following dispute between the management of M/s. Panipat Co-operative Sugar Mills Ltd., Panipat and its workmen to this Tribunal in exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947.

- (1) Whether the workers as in Appendix I have been correctly fitted in the revised wage scale as recommended in the Second Wage Board for the Sugar Industry ? If not, to what relief are they entitled ?
- (2) Whether the workers as in appendix II should be confirmed in service ? If so, with what details from which date ?
- (3) Whether Shri Hem Raj was entitled to extra allowance for his having worked on higher post during the season 1969-70 and 1970-71 ? If so, with what details ?

Usual notices of the reference being sent to the parties concerned, the statement of claim was filed on behalf of workmen, in support of the notice of demands served by them on the management, Exhibit M.W. 1/10, with the allegations that the provisions Second Wage Board Recommendations required to be strictly implemented had in fact not been implemented in respect of fitment in the revised wage scale. The workmen further alleged that they should be confirmed in service with effect from 1st November, 1969 and that Shri Hem Raj was entitled to extra allowance for his having worked on higher post during the season 1969-70 and 1970-71.

The management *wide*-written statement filed in reply to the allegations of the workmen, pleaded that the reference pertained to the individual claims of the certain workmen and as such did not constitute an industrial dispute. It was further pleaded that the demand notice served on the management did not include the allegations covered by dispute No. 1 and that the matters referred were inconsistent with the allegations made in the demand notice. It was further stated that the demand of the workmen for the fitment in the revised wage scale had been withdrawn by the union during the course of conciliation proceedings and that the workmen had otherwise been fitted according to the recommendations of the second Wage Board and that they had been made permanent from the date when permanent vacancy arose and as such their demand for confirmation from 1st November, 1969 when the permanent vacancy did not fall vacant was unjustified. The management denied that Shri Hem Raj had performed the duties of switch Board Attendant regularly during the year 1969-70 and 1970-71.

The management, attached with the written statement annexure I showing the grade of each of the workers as mentioned in the reference, immediately before the approval of the recommendations of the Second Wage Board and on the date of enforcement of these recommendations, in support of their case that the workmen had been properly fitted according to the recommendations of the second Wage Board.

The following issues were framed on pleas of the parties,—*wide*-order dated 4th April, 1973 of Shri Om P.arkash Sharma, my learned predecessor, the then Industrial Tribunal, Haryana.

- (1) Whether the order of reference pertains to the individual claims of certain workmen and, therefore, the subject matter of the reference does not constitute an industrial dispute as defined under section 2(k) of the Industrial Disputes Act, 1947 ? (on management)
- (2) Whether the demand covered by item No. 1 of the order of reference was first raised on the management and rejected by it before taking up the matter for conciliation ? If no, with what effect ?
- (3) Whether the demand covered by item No. 2 had been withdrawn by the union during conciliation proceedings ? If so, with what effect ? (on management).
- (4) Whether the workers as in Appendix I have been correctly fitted in the revised wage scale as recommended in the Second Wage Board for the Sugar Industry ? If not, to what relief are they entitled ?

(5) Whether the workers as in appendix II should be confirmed in service ? If so, with what details from which date ?

(6) Whether Shri Hem Raj was entitled to extra allowance for his having worked on higher post during the season 1969-70 and 1970-71 ? If so, with what details ?

I have heard Shri Gian Chand, representative of the workmen and Shri Surinder Kaushal, representative of the management with reference to the evidence led by the parties on the aforesaid issues. I decide the issue as under :—

#### Issue Nos. 1 to 3

Shri Surinder Kaushal, representative of the management did not address arguments to me on these issues and conceded that the same be decided in favour of the workmen. I accordingly decide all these issues in favour of the workmen.

#### Issue No. 4

This is an important issue in the case. It stands conceded on both sides that each of the workmen is entitled to be fitted according to the recommendations of the Second Wage Board in the grade corresponding to the one held by him on 1st November, 1969, the date of enforcement of the recommendations of the Second Wage Board, as would appear from sub paragraph (iii) or para 364 of the recommendations of the Second Wage Board stated as under.

"No employee shall be placed below the minimum in the revised wage scale of the grade to which he is entitled.

I was taken through the record of the case by Shri Surinder Kaushal with the contention that each one of the workers appearing as his own witness had admitted that he had been fitted in the grade on 1st November, 1969 the date of enforcement of the recommendations of the Second Wage Board, according to these recommendations. He stressed that the case put forth by the workmen that they were not fitted in the respective grades according to these recommendations stood rebutted by their own statement. On a careful perusal of the statement of the workmen, I find the contention of Shri Surinder Kaushal fully substantiated.

For instance Shri Jaswant Singh workman examined as W.W. 1 admitted that he was skilled A Grade on 1st November, 1969 and that he had been fitted in skilled A corresponding grade under the second Wage Board Recommendations with effect from 1st November, 1969. Shri Sant Ram Fitter examined as W.W. 2 admitted that he was in skilled 'B' grade on 1st November, 1969 and that he had been fitted in the corresponding skilled 'B' grade under the recommendations of the Second Wage Board. Sarvshri Lachman Singh W.W. 3, Surja W.W. 4, Kemti Lal W.W. 5, Ved Parkash W.W. 6, Kailash Chand W.W. 7, Nahar Singh W.W. 8, Om Parkash W.W. 9, Ram Kishan W.W. 10, Lal Chand W.W. 11, Dayal Chand W.W. 14, Jagan Nath W.W. 15, Girju W.W. 16, Siri Chand W.W. 17, Gurbachan Singh W.W. 18, Teja Singh W.W. 19 made statements in the same strain while admitting that each one of them had been fitted in the grade under the recommendations of the Second Wage Board, corresponding to the one held by them immediately before 1st November, 1969.

Shri Hem Chand Sharma, Senior Time Keeper with the respondent Mills examined as M.W. 1, proved the chart Exhibit MW. 1/1 showing the names of the workmen on rolls on 1st November, 1969 with the designation, categories, Basic pay, dearness allowance, enhanced D.A. and to the emoluments as per First Wage Board Award and comparative statement regarding their fitment in accordance with the recommendations of the Second Wage Board Award, in support of the case of the respondent that no violation had been made of the recommendations of the Second Wage Board Award and each workmen as mentioned in appendix I of the reference had been properly fitted. Not an iota of evidence was led by any of the workmen in rebuttal of this documentary evidence. Each one of the workmen stated above on the other hand admitted the case of the management while appearing as his own witness. The other workmen did not support their case on this issue.

I, therefore, relying on the statement of Shri Hem Raj Sharma and the admission of the workmen as referred to above, hold in favour of the management and decide this issue in favour of the management.

#### Issue No. 5

It could not be denied by the representative for the management that the workers were entitled to be confirmed from the date when the permanent vacancy arose and not from an earlier date. It is admitted that the workmen mentioned in Appendix II had since been confirmed. There is no evidence to show that the permanent vacancy arose prior to the actual date of confirmation of the workmen as mentioned in Appendix II. In absence of any evidence on record that the permanent vacancy fell earlier than the actual date of confirmation of the workmen the latter are not entitled to any relief and the date of their actual confirmation should be taken as the correct date for that purpose under the circumstances. I decide this issue in favour of the management. Even otherwise Mam Raj, Shamshera Kadina and Ranjit workmen withdrew their demands *vide* letter M.W. 1/2 to M.W. 1/5

## Issue No. 6

It was conceded by the representatives of the parties, before me, that Shri Hem Raj was entitled to the difference of emoluments that he was receiving in his original assignment and that of the minimum prescribed for the higher job he was asked to perform from time to time during the year 1969-70 and 1970-71. I decide this issue accordingly.

In view of my findings on issue Nos. 4 to 6 I hold that the workmen as mentioned in Appendix I of the reference were correctly fitted in the revised grade according to the recommendations of the Second Wage Board for the sugar Industries and that the workmen as mentioned in Appendix II were confirmed from due dates on arising of a permanent vacancy and that Shri Hem Raj is entitled to the difference of the emoluments that he was receiving in his original assignment and that of the minimum prescribed for the higher jobs he was asked to perform from time to time during the year 1969-70 and 1970-71. I return the award accordingly.
